Regional Horse Project Meeting Invitation

Finally we will be electing the voting representatives to the State Horse PDC at these regional events. The State 4-H Horse PDC has been developed to strengthen and support the State Horse project. Note: only members currently enrolled in the 4-H horse project and screened/enrolled volunteers will be able to vote.

Dear 4-H families and volunteers:

Happy New Year! I hope that 2013 brings you peace, joy and prosperity.

Throughout January, 4-H youth across Minnesota will be thanking 4-H supporters, and sharing stories of how 4-H has made a difference in their lives and communities.

One of the ways 4-H youth make a difference in their communities is through community service projects and events. The principles of citizenship and civic engagement are integral to 4-H. For more than 100 years, 4-H members have been making a difference by proactively addressing challenges in their communities. As part of the Citizenship Mission Mandate, every 4-H program across the nation has a strong history of designing, delivering and implementing educational programs and activities related to community service, youth volunteerism and service-learning.

This year, the annual Martin Luther King Day of Service is on ***Monday, January 21***. I encourage 4-H volunteers and youth to plan a community service project, event or activity either on that day, during that week or throughout the month. The MLK Day of Service is about more than a one-day service project – it is about connecting people of all ages, backgrounds, and abilities in a shared commitment to making a difference in their communities. It is also a great opportunity to let people know how youth in 4-H learn to be active, engaged citizens and leaders–not just on one day, but throughout the year.

For more information about the MLK Day of Service, go to: http://mlkday.gov/.

Sincerely, Dorothy M Freeman

Re-enroll by January 15

Don't miss out! 4-H youth and volunteers need to re-enroll by ***January 15***. Re-enrollment remains open after January 15, but the longer you wait, the more you miss out on, including critical communications.

The re-enrollment task should be significantly shorter this year because previously entered information will carry over into the new 4-H year. However, it is CRITICALLY IMPORTANT that families review and update enrollment information, especially health and emergency contact information. If you have forgotten your password, you can request to have it sent to you at the main login screen at mn.4honline.com.

New (first time) 4-H youth members can enroll online using the link above, but must mail a signed copy of the Authorization Statements to Extension staff. The Authorization Statement document can be downloaded from www.4-h.umn.edu/policies/4H-member-authorization-form.pdf and mailed to your county or regional office. You will find “Quick Start” and “Detailed Instructions” links on the login page to guide you through the enrollment process.

New (first time) 4-H Adult Volunteers must complete the three step 4-H Volunteer Screening process in order to serve as a 4-H volunteer. Instructions and forms are available at www.4-h.umn.edu/volunteer/#application. Screening is a separate process from enrolling. Complete information and support resources can be found online at www.4-h.umn.edu/4honline.
