Club Changes

Please let the office know immediately of any changes in the leadership or meeting time and place of your club. We are making up the new information to send out to potential club members and we need to make sure everything is accurate.

Invite a friend—you don't need to be in 4-H to join in on the fun! However, participants will have to fill out a short term membership form with a parent's signature and health information. There will be a registration form and additional information can be found at http://z.umn.edu/chisagoquiltday2013.

Regional Horse Project Meeting Invitation

The Minnesota 4-H State Horse PDC would like to invite all 4-H horse project members and 4-H horse project leaders to regional events. There will be a series of five regional events held across the state. The first Regional 4-H Horse event will be held on Saturday, January 12, 2013. A second event will also be held April 13, 2013.

The purpose of these regional events is to provide an educational topic around the horse project, provide counties an opportunity to ask questions, to clarify the horse project with someone who is trained regarding rules, etc., to provide horse enthusiasts an opportunity to network with other counties regarding best practices and learn about what other counties do in their horse project. Finally we will be electing the voting representatives to the State Horse PDC at these regional events. The State 4-H Horse PDC has been developed to strengthen and support the State Horse project. Note: only members currently enrolled in the 4-H horse project and screened/enrolled volunteers will be able to vote.

Please plan to attend these events. They will give you a valuable chance to learn what the horse project has to offer and strengthen your knowledge of the horse project.

LQA&E Trainer Webinar

A one hour update webinar for all new LQA&E trainers AND trainers that feel they need a refresher course has been set for Saturday, January 26th, 10-11 a.m. Trainers who participated in the webinars in any of the past 4 years DO NOT need to participate in this webinar.

If interested in becoming an LQA&E trainer or participating in the webinar, please contact your 4-H Program Coordinator!

2013 LQA&E Training

There will be a train-the-trainer LQA&E Training on January 26th from 10 to 11 am at Cindy's House. In order to offer a Level II LQA&E training in our county we must have four people to take this training. We have been depending on other counties for this training for many years and it is time that we took responsibility for our own training. I get many complaints that this isn't offered in our county but no volunteers to do it. Surely four of you can take the 1 hour training and agree to teach a part of this training. Please notify Cindy by Tuesday, January 15 if you are willing to make this commitment.

Poultry Workshop

Are you a member in the poultry project, interested in learning more about the project or are you brand new and just want to check out poultry? The Poultry Workshop will be held on Saturday, January 26th at Armed Forces Center (near Cambridge Community College). This morning workshop will have speakers from across the state to present on a wide variety of topics in the poultry project. There will be something for everyone whether you are an experienced poultry producer or just checking out the project. Information and registration forms are available at the Isanti County Extension Office.

PICCKMW Camp Counselors

The applications for PICCKMW Camp Counselors are now available. If you are in 9th grade or higher you are eligible to apply for this fun filled leadership opportunity. This year camp will be held June 24-26, 2013 at St. Croix State Park. There are monthly meetings and two overnights as part of the camp commitment. Applications are due January 31st and can be found at: http://z.umn.edu/picckmwcampcounselorpack. If you have any contact the Extension Office. The first camp counselor overnight will be held on Feb 22-23.

Project Bowls

It is time for Project Bowls to get underway. I need information from the people who are leading these. I need to know when and where you are meeting, how many kids are involved, and who is coaching. Please get this information to me as soon as possible.

Cheese Fundrasier

There will be a cheese fundraiser again this year. During this sale we must make the $7000 that the Chisago County Commissioners have asked us to earn towards our budget this year. This is a proven money maker. Last year we had 12 youth selling and we cleared $2,000. So the $7,000 is a manageable goal. We must have complete participation however. This year there will be some incentive for clubs to participate as well. Each club will earn 10% of what they sell. Each club should assign or elect a cheese manager to handle the orders. There will also be awards for 1st and 2nd place overall sellers. Selling will take place from February 1-March 1. Once again cheese will be delivered for Easter. The pickup day will be March 18th.

Poultry Superintendent

We are in need of a poultry superintendent in the poultry barn at the fair. This person helps with the poultry show, makes sure animals are being cared for, helps with showmanship round up set up, and helps with vet checks. You can get a full job description from the office. Please call Cindy at 651-277-0150 if you are interested.

Project Workshop Day

Project Workshop Day will be held on Saturday, February 2nd at the North Branch United Methodist Church from 9:00 am to 12:30 pm. Registration will be sent out in January. I am still in need of more sessions so if you have a special talent, PLEASE share it with our youth. We need volunteers to make this day possible. Contact Cindy at 651-277-0150 for more information. Mark your calendars for this day. It's a lot of fun!

Western Heritage

Join the fun of Western Heritage! Western Heritage is an activity offered through the horse project to learn more about our western heritage including safety, sportsmanship and having fun. Western Heritage includes goat tying, roping, sorting and much more! The first

meeting of Western Heritage will be on February 5th at 6:30 pm at BMW stables (29465 Rendova Street, Isanti, 55040). The meeting in February will be without horses. Be sure you can provide accurate birth date information—it is required on the ID form. Animals should be halter trained well enough to be controlled by this date. Dear 4-H families and volunteers:

Happy New Year! I hope that 2013 brings you peace, joy and prosperity.

Throughout January, 4-H youth across Minnesota will be thanking 4-H supporters, and sharing stories of how 4-H has made a difference in their lives and communities.

One of the ways 4-H youth make a difference in their communities is through community service projects and events. The principles of citizenship and civic engagement are integral to 4-H. For more than 100 years, 4-H members have been making a difference by proactively addressing challenges in their communities. As part of the Citizenship Mission Mandate, every 4-H program across the nation has a strong history of designing, delivering and implementing educational programs and activities related to community service, youth volunteerism and service-learning.

This year, the annual Martin Luther King Day of Service is on ***Monday, January 21***. I encourage 4-H volunteers and youth to plan a community service project, event or activity either on that day, during that week or throughout the month. The MLK Day of Service is about more than a one-day service project – it is about connecting people of all ages, backgrounds, and abilities in a shared commitment to making a difference in their communities. It is also a great opportunity to let people know how youth in 4-H learn to be active, engaged citizens and leaders–not just on one day, but throughout the year.

For more information about the MLK Day of Service, go to: http://mlkday.gov/.

Sincerely, Dorothy M Freeman

Re-enroll by January 15

Don't miss out! 4-H youth and volunteers need to re-enroll by ***January 15***. Re-enrollment remains open after January 15, but the longer you wait, the more you miss out on, including critical communications.

The re-enrollment task should be significantly shorter this year because previously entered information will carry over into the new 4-H year. However, it is CRITICALLY IMPORTANT that families review and update enrollment information, especially health and emergency contact information. If you have forgotten your password, you can request to have it sent to you at the main login screen at mn.4honline.com.

New (first time) 4-H youth members can enroll online using the link above, but must mail a signed copy of the Authorization Statements to Extension staff. The Authorization Statement document can be downloaded from www.4-h.umn.edu/policies/4H-member-authorization-form.pdf and mailed to your county or regional office. You will find "Quick Start" and "Detailed Instructions" links on the login page to guide you through the enrollment process.

New (first time) 4-H Adult Volunteers must complete the three step 4-H Volunteer Screening process in order to serve as a 4-H volunteer. Instructions and forms are available at www.4-h.umn.edu/volunteer/#application. Screening is a separate process from enrolling. Complete information and support resources can be found online at www.4-h.umn.edu/4honline.

Are you looking for work experience in the youth development field?

Once again, there will be county-based 4-H summer intern positions throughout the State of Minnesota. The positions will be posted two different ways. Many will be advertised and hired through University of Minnesota Extension; however, some will be advertised and hired by local counties. Each internship position will provide an excellent opportunity to learn more about University of Minnesota Extension and explore job opportunities in 4-H Youth Development. Most positions will be for ten or eleven weeks, with flexible starting dates.

Candidates must have a high school diploma, and at least two years of undergraduate study is preferred. University of Minnesota Extension hired candidates must apply on-line through the University of Minnesota job site. The application materials will include a standard application, résumé, cover letter, list of three references and a college transcript. The summer intern positions will be posted by mid-January at http://www1.extension.umn.edu/youth/jobs.html. The application deadline is ***February 22***.
