

SUPERVISION OF CHILDREN

To prevent the spread of disease from animals to humans, follow these recommendations:

- **Park strollers and wagons in designated area OR leave in your vehicle.**
- **Keep baby bottles, pacifiers, sippy cups, water bottles and food OUT of Animal Area.**
- **No blankets or toys in Animal Area**
- **Watch your children to prevent hand-to-mouth contact (i.e., thumb-sucking).**
- **Wash hands after exiting the Animal Area and before handling or eating food.**
