

Table of ContentsClimatePage

Climate Summary - 1996 .....	1
Long Term Evaporation and Soil Water Records Compared to 1996 Results .....	4

Becker

Response of Snowden and Goldrush Potato Cultivars to Nitrogen on an Irrigated Soil - 1996 .....	8
Evaluation of Row Spacing Effects on Yield and Quality of Irrigated Potatoes - 1996 .....	13
Effect of Nitrogen Rate and Timing on Yield of Red Norland Potato .....	16
Evaluation of "Meister" Controlled Release Fertilizer for Irrigated Potato Production - 1996 .....	23

Rosemount

Carrot Response to Nitrogen Fertilizer on a Mineral Soil .....	30
Tillage Comparison at Rosemount, 1996 .....	34

Lamberton

Nitrate Losses Through Subsurface Tile Drains Following CRP, Alfalfa, Continuous Corn and Corn / Soybean Rotations .....	42
Nitrogen Fertility Management of Corn .....	46
Tillage Management in Corn - Soybean Rotations at the Southwest Experiment Station .....	49
Variable Input Crop Management Systems at the Southwest Experiment Station: 1996 Management History and Yields .....	55
Planting Date Effects on Corn and Soybean Yield at Lamberton - 1996 .....	59
Importance of the Corn - Soybean Rotation on Net Returns - 1980's .....	61
Corn and Soybean Yield Stability Across Space and Time .....	64
Organic Crop Rotation Study at Lamberton - 1996 .....	67

Morris

Anhydrous Ammonia - Knife Spacing Study .....	69
-----------------------------------------------	----

Waseca

Weather Data - 1996, Southern Experiment Station .....	71
Nutrient Losses to Tile Lines as Influenced by Source of N .....	72
Nitrate Losses to Tile Drainage as Affected by Nitrogen Fertilization of Corn in a Corn - Soybean Rotation .....	78
Residual Effects of Nitrogen Applied to Established Reed Canarygrass .....	83
Evaluating Soil N Test Methods on a Field With a Manure History .....	85
Enhancing No - Tillage Systems for Corn with Starter Fertilizer, Row Cleaners and Nitrogen Placement Methods .....	87

Off Station Research

The Effects of Residue Management and Herbicide Application Methods on Loss of Agricultural Contaminants in Surface Water .....	92
Effect of Nitrogen and Sulfur on Canola - 1996 .....	100
Nitrogen Conservation in a Liquid Dairy Manure Management System with Flush Water Recycling .....	101
