

March 15 & March 17, 2016

Bunker Hills Activity Center  
550 Bunker Lake Blvd  
Andover, MN

**Register online:**

[z.umn.edu/pseecommercial](http://z.umn.edu/pseecommercial)

## ABOUT THIS WORKSHOP

The workshop will be an overview and review of the manuals with a focus on Q & A by attendees. Through presentations of each manual's chapters, we will highlight key information to enhance your learning and preparedness for the two exams. The workshop will also include information about pesticide applicator certification, recertification, licensing and exams.

Attendees **MUST** purchase and study the manuals before the workshop. Two days is not enough time to provide in-depth coverage of all testable content of the manuals. **IT IS IMPORTANT TO STUDY THE MANUALS BEFORE THE WORKSHOP** and come ready to ask about topics on which you want more information.

## STUDY MATERIALS

Before the workshop, please purchase and study the manuals. You will need three manuals for the two closed book exams:

### Category A: Core

- A-1 : National Pesticide Applicator Core Manual 2nd Ed. (2014); \$24.00
- A-2: Minnesota Pesticide Supplement for Category A (2012); \$20.00

### Category E: Turf and Ornamentals

- 2nd Edition: Turf & Ornamentals Pesticide Manual (2014); \$30.00

To purchase manuals see:

<http://www.extension.umn.edu/agriculture/pesticide-safety/manuals.html>

## SCHEDULE EXAM

*The Category A: Core and the Category E: Turf & Ornamentals pesticide applicator license exams WILL NOT be given as part of this workshop.* Attendees will need to schedule taking the exams directly with the Minnesota Department of Agriculture (MDA) at a later time. To schedule the exam see the MDA website:

<http://www.mda.state.mn.us/en/licensing/licensetypes/pesticideapplicator/examcontacts.aspx>

## PROGRAM PRESENTERS

- **Dean Herzfeld, Ph.D., Coordinator, Pesticide Safety & Environmental Education program, University of Minnesota Extension**, provides statewide educational programs for licensed commercial and noncommercial pesticide applicator recertification, author of the study manuals, past President of the American Association of Pesticide Safety Educators and works at the national level with pesticide government agencies, educational organizations and stakeholder groups in the design and creation of pesticide applicator certification curriculum and educational materials.
- **Tana Haugen-Brown, Co-Coordinator, Pesticide Safety & Environmental Education program, University of Minnesota Extension**, leads the Minnesota private pesticide applicator program, involved with pesticide safety related educational activities and materials at the state and national level and has a background in horticulture.
- **Minnesota Department of Agriculture, Licensing and Certification Unit staff** presenting on the licensing and certification process and compliance to pesticide regulations.
