

PorkBridge

A world of knowledge brought directly to you

What Is PorkBridge?

PorkBridge is a distance educational tool providing live presentations from topic experts by teleconference. Participants also have access to recorded audio of sessions to ensure they don't miss a thing!

What You Need to Participate

- Telephone access
- Email address to receive material
- Computer with CD drive
(only if CDs are chosen for presentation delivery)

No Internet access needed to participate!

Participants explain why PorkBridge is a great choice.

"Good program with lots of potential!"

"Keeps me updated to some key topics facing the industry and I get information from some of the experts."

"Broadens the perspectives of my employees!"

"We are able to learn from the best experts!"

"Great current information from the best researchers/industry folks!"

PorkBridge

A world of knowledge brought directly to you

PorkBridge is brought to you by swine faculty and staff from these universities.
