What Is PorkBridge?

PorkBridge is a distance educational tool providing live presentations from topic experts by teleconference. Participants also have access to recorded audio of sessions to ensure they don’t miss a thing!

What You Need to Participate

• Telephone access
• Email address to receive material
• Computer with CD drive (only if CDs are chosen for presentation delivery)

No Internet access needed to participate!

Participants explain why PorkBridge is a great choice.

“Good program with lots of potential!”
“We are able to learn from the best experts!”
“Great current information from the best researchers/industry folks!”
“Broadens the perspectives of my employees!”
“Keeps me updated to some key topics facing the industry and I get information from some of the experts.”

PorkBridge is brought to you by swine faculty and staff from these universities.
