	E-mail	answer@iastate.edu
	Website	http://www.extension.iastate.edu/answerline/
National Center for Home Food Preservation: Provides a wealth of current research-based recommendations on many areas of food preservation. Provides on-going research.	Website	http://www.uga.edu/nchfp/
	Order Food Preservation Book	<i>So Easy to Preserve</i> , 5 th Edition - 2006 http://www.uga.edu/setp/
	2008 Update	USDA's <i>Complete Guide to Home Canning</i> (1994) is being updated and will be available late summer, 2008 or 2009. You can still access the information via: http://www.uga.edu/nchfp/publications/publications_usda.html
University of Minnesota Extension: Provides links to current research-based publications and information.	Website	U of M Extension Farm to Table: Food Preservation Full URL: http://www.extension.umn.edu/foodsafety/components/foodpreservation.htm
Pressure Canner Dial Gauge Testing: Dial gauges should be checked every year to ensure they are reading correctly (weighted gauge canners do not have to be checked). Presto Industries offers a free calibration or testing.	Send Dial Gauges	National Presto Industries, Inc. 3925 North Hastings Way Eau Claire, Wisconsin 54703-3703 NOTE: Carefully remove dial gauge from canner and package in foam or newspaper to avoid shipping damage. You will need to pay postage.
