SC: Stearns County CV\$525 Exp\$400

LA: Lamberton CV\$525 Exp\$400

FQ: Forage Quality \$525

RO yield and FQ CV \$850

RO yield and FQ Exp \$750

Seed Lot Instructions:

Experimental entries: submit 125 g of seed for each Yield trial; Forage Quality: 200g;

Commercial Entries: per CAIC protocol using WI-centralized distribution, contact Kevin Silveira (Univ. Wisconsin, Dept. of Agronomy, 1575 Linden Drive, Madison, WI 53706, Phone: 608-262-6203 Fax 265-3747) by Feb. 15. See: <http://www.uwex.edu/ces/forage/news/distribution.htm>

If you are entering only the Minnesota trials commercial seed can be sent directly to us.

The University of Minnesota is using a new accounting system. Please submit the application as before with an estimate of your total. Send no payment. We will bill you when we receive your applications.

Affidavit: I certify that the submitted seed is a true sample of the designated entry. I will not hold the University or its staff responsible for failure to obtain stand or yield data due to unfavorable climatic conditions.
