

Home Insect Control Request Form

Name: _____

County: _____

Approximate number of attendees you expect (also consider adjacent counties)?

Where (the specific site) do you think this class can be taught?

What time of the year would you prefer this class to be taught?

Can you obtain dissecting (binocular) microscopes and if so how many?

Is there any cost with using a lecture/lab room or dissecting microscopes?

How would you advertise this class to your county and nearby counties?

Any other comments?
