

WORKSHOP REGISTRATION INSTRUCTIONS

Important! Please review before completing registration form

1. Who Must Attend? Pesticide Applicators with category G, J, P, or F certification must attend a continuing education class every two years. In addition, they must be licensed with the MN Dept. of Ag annually. If you are unsure of your licensing or recertification status, you may contact the MDA at (651) 201-6615

NOTE: CORRESPONDENCE COURSES FOR RECERTIFICATION HAVE BEEN DISCONTINUED. LICENSED APPLICATORS MUST ATTEND AN APPROVED WORKSHOP IN ORDER TO MAINTAIN CERTIFICATION. FAILURE TO DO SO WILL REQUIRE RE-TESTING.

2. MN PIE Member Registration: MN PIE Members are eligible to receive special discounted rates for workshops and field tours. Members costs are reduced due to the direct participation and administration of this program by MN PIE, its members, and employees. See registration form for applicable discount. If you are unsure of your membership status, please contact the MN PIE Office.

3. Registration: Please complete the registration form attached and mail it with your payment to the MN PIE office. MN PIE will accept payment in the form of personal checks, company checks, EFT's or purchase orders. Credit cards are not accepted.

To guarantee placement in your desired course, registration forms and payment (or purchase order) must be received by the MN PIE office no later than 10 working days prior to the program for which you are registering.

4. Cancellations: Cancellations will receive a full refund (minus \$25 handling fee) if cancellation is received at least 10 working days prior to the workshop. Cancellations received less than 10 days prior to the program will not be entitled to a refund.

6. Workshop Transfer: Registrants will be allowed to transfer their registration from one workshop to another without fee or penalty as long as the change request is received by the MN PIE Office no later than 10 working days prior to the program.

7. Confirmation: NO CONFIRMATION WILL BE SENT. Your purchase order/ cancelled check will be proof of registration. Please refer to this brochure, and retain a copy for your records, to confirm program dates, locations, and start times.

Welcome!!

To the MN PIE Training Opportunities Bulletin. This publication contains all the information and registration material you will need for the coming year.

Take A Closer Look

This year, there is a variety of training opportunities for Minnesota’s forestry and rights-of-way management professionals. You may choose to attend a classroom-style workshop, or you may prefer the outdoor, field tour program. Review the options, check the category (ies) of training provided at each workshop/field tour and decide which program best suits your needs.

Who Must Attend?

Pesticide applicators with category G, J, P or F certification must attend a continuing education class every two years. For clarification:

- G = Forestry Certification**
- J = Rights-of-Way Certification**
- P = Gopher Control Certification**
- F = Aquatic Certification**

Your pesticide applicator license card will give you all the information you need. Refer to your pesticide applicator license card. It will tell you which category (ies) you are certified for, and it will also tell you the year in which you need to attend a recertification class. Questions, call the MDA 651-201-6615
