Structural PMC Recertification

Persons licensed as Structural Pest Control Applicators must annually attend approved recertification training and renew their license each year. Licensed persons may fulfill Structural category recertification requirements in 2009 by attending the Pest Management Conference held on March 2 and 3, 2009. Attendance at the conference will enable persons to renew their structural license in 2010. In addition to the general session, special separate recertification sessions will be held for the Rights-of-way (J), Fumigation, and Turf & Ornamental (E) categories. Check your license ID card to determine if you need to attend one or more of these sessions. Persons must attend the entire conference to receive attendance credit. If you have license or recertification questions, or need more information contact the Minnesota Department of Agriculture at 651-201-6615. **Be sure to bring your applicator license ID card to the conference.**

Sponsors
