

Instructions For Completing The State 4-H Enrollment Report (2006)

This workbook consists of 5 spreadsheets and will be filled out at the state level. Along the bottom of this screen you will notice 6 tabs, including this "Instruction" tab. As you click on the tabs, you will see different spreadsheets where the state compiled data will be entered in the blank cells. You will also notice that there are comment fields that provide help or definitions should something be not clear. Just "mouse-over" the field in question, and a box will pop-up with the necessary information. An example is provided below:

Example Comment

These spreadsheets are to be populated with state level 2006 4-H enrollment data. Please do not leave any cells blank, and populate with a zero (0) if applicable. Also, please notice that on the "4-H Participants" worksheet, all four totals should match. If they do not, please readjust as necessary.

Please do not change the name of the file that you download when you submit your completed workbook back to USDA.
