

## MEMBER AGREEMENT

# 4-H Independent Membership

### For youth in grades 6 and up—Due upon enrollment

The Minnesota Youth Development Program is an opportunity for Minnesota 4-H to provide an educational environment for positive development of diverse youth to enable them to reach their full potential. The 4-H club is the foundation for this environment, and potential members are strongly encouraged to use all of their resources to find a club compatible with their educational needs, life-skill development and family situation. However, this may not always be possible.

Minnesota 4-H recognizes that small groups (clubs) are not the optimal learning environment for every youth. Nor may a club be available to every youth because of meeting times, travel, expectations, etc. Minnesota 4-H recognizes independent 4-H member(s) as a form of program membership/delivery. Individuals sixth grade and older who have had at least two years of club experience are eligible for independent membership. Procedures are in place to guide independent membership to ensure there is a quality learning experience for the young person.
