JUST A NOTE

The judge has turned his card in, and it’s time to find out how you did. If you should be so lucky as to have placed, you’ll be happy, and you’ll show it. Thank the person who gives you the award and then proceed toward the outgate in a happy, collected manner. (If you show long enough, you will eventually have the embarrassing experience of winning or placing when you don’t deserve it - and know you don’t. Be gracious, chalk it up to experience, and remember it to balance out the times that you don’t place as high as you think you deserve.)

If this wasn’t your day to collect an award, it is your day to start working toward the next time. Analyze your own ride and study the winners as much as possible to determine why they placed as they did. Benefit from your experience rather than blaming the judge, which is a cop out. It’s very likely that he really does know more about the class than you (or your parents), and you should take advantage of the opportunity to learn from him.

Even if you did deserve to win or place higher, you still can, and should want to, continue to learn, AND the feeling of achievement after a good ride is more important than any award – you might tell your parents and friends this too. Some of them need to learn it, and they’ll all appreciate this attitude on your part. You may even improve their knowledge and sportsmanship to the point that they will be much more helpful to YOU in the future.

As you leave the ring, smile, pet your horse, and congratulate any winners you get close to, and show your horse as though the class were still in progress.
Welcome!

**JUDGES FOR THE 2017 HORSE SHOW**

Tim Abler’s judging career began in 1971 when he was a member of his county’s 4-H horse judging team. Invitations to judge backyard shows that year, led to invitations to judge larger shows where he actually got paid! Between ring mastering large Arabian, Morgan, Saddlebred and Quarter Horse shows, and judging 4-H and open shows in Michigan, Ontario and neighboring states; he was able to subsidize his college education. In the mid-1970s, during a time when his Quarter Horse showing career was interrupted by undergraduate studies and activities, he began applying for breed cards. Over time, Tim became licensed to judge ABRA, IBHA, POAC, PHBA, PTHA, APHA, NSBA-Category 1, AQHA and USEF approved horse shows. To date, Tim has judged nearly 2,000 shows, futurities, jackpots and other equine competitions throughout the United States, Canada and twelve other foreign countries.

Malinda Dexter has been involved with horses since she was 9 years old. She grew up in 4-H and showed at the very first MN State Horse Show in 1971. Malinda started raising Appaloosas at 16 years old, she started with a leopard App stallion who was named the “1978 South Dakota State Champion Barrel and Pole Bending Horse by the Center of the Nation Appaloosa Club” and a black and white App mare. This was the beginning of 50 years of Appaloosas, and showing from the Canadian Nationals to the World Show in Fort Worth Texas. In 2002 she showed four horses at the Canadian Nationals and brought home nine titles. That same year at the World Show, she had three horses in seventh. Malinda showed in many different classes such as: Halter, Showmanship, Horsemanship, Pleasure, Reining, Trail, and Games.

In 2007 Malinda’s began judging so she could stay involved with the horses and exhibitors. Malinda is a certified 4-H and WSCA Horse Show Judge. She judges around 30 shows per season. Malinda has judged at the State 4-H Horse Show and WSCA Champ Show the past several years and is looking forward to judging them again.

She has a boarding and lesson program where she works with all ages of riders. She also works with individuals with special needs. This team activity combines knowledge and skills developed from other project activities, such as Bowls, Judging, Speaking, and Demonstrations. There are four phases. A written exam contains questions based on the project's curriculum. Judging phase requires the participants to judge four classes of horses. In station identification the individual identifies a variety of things such as horse anatomy, tack, feeds, etc. In team problems each team is given a set of situations to be discussed and then the team proposes a solution. Hippology combines both individual and team participation.

**Hippology Objectives:**
- Provide additional educational opportunities for horse project members
- Develop decision-making, communications, team buildings, self confidence, and leadership
- Enhance individual growth and development
- Project an opportunity to inter-relate horse project experiences and use their horse project knowledge
- Advance knowledge, abilities, skills and attitudes
- Measure and recognize horse project achievement

Learning conformation standards, breed characteristics and performance ideals in all breeds of horses is the basis of horse judging competition. 4-H judging team members learn to evaluate horses.

Teams of three or four members place halter and performance classes and give oral reasons to defend their decision. Members are scored as individuals, based on the official placings and the degree of difference (cut) between each pair in the class. The high three scores are added to give the team score.

Top teams and individuals in the senior and intermediate divisions receive awards for their judging accomplishments. The top teams have an opportunity to participate and represent Minnesota in national horse judging contests and can receive travel funding to assist them.

**HORSE SPEECH & DEMONSTRATION CONTEST**

Sharing horse project knowledge or experiences are a part of the 4-H Horse Projects Public Speaking and Demonstration Contest. Horse project members can share their horse knowledge or experiences by participating. Members may teach others by giving a speech, illustrated talk or demonstration on a horse related subject. Demonstrations may be individual or a team of two.

State winners are eligible to participate and represent Minnesota at national competitions and can receive funding to assist them.

These exhibitors qualify through the Horseless Horse and Horse Related exhibits at their County Fair with a blue ribbon. Their exhibits must be related in some way to the horse industry. They may include a poster, photographs, models, scrapbook, essay, woodworking, etc.

Horseless Horse is limited to a member whose household does not own or lease a horse but have a desire to learn about horses.

Horse Related exhibitors must be enrolled in the horse project. The quota for Horse Related is two per county. Priority should be given to the first blue ribbon winners NOT bringing a horse to the State Show. If needed, to fill the county quota, those bringing a horse may than bring their Horse Related project also.

Horseless Horse and Horse Related are conference judged with the exhibitor on Saturday in the Sheep Barn.

The 4-H members in the Training Project have trained their own horses and have been selected to represent their county at the State Show. They are required to submit their Training and Achievement Books through the Step/Level they have completed for evaluation. They are interviewed on their knowledge and required to demonstrate various training skills with their horse.

The Training Step 6 and Achievement Level 6 exhibitor is interviewed on their knowledge gained from completing the Achievement Book and required to perform the Step 6/Level 6 riding test. (The riding test for Training Step 6 and Achievement Level 6 is found on the back page of the Training and Achievement Books.)

4-H Horse Project History
Do You Remember

The Minnesota 4-H horse project has had a very interesting history from 1925, with a draft horse project, followed by a plateau in the 1930’s and than a rapid decline. An effort was made to rebuild the program in 1943, but was only temporary. Even a state colt show initiated in St James in 1944 could not stem the decline.

With no program from 1947 to 1957, horse enthusiasts were busy making a shift to the pleasure horse.
1958 - A pilot 4-H horse program was officially adopted statewide.
1963 - A state invitational show was initiated at Cambridge serving part of the more than 2,000 youth enrolled in the horse project.
1964 - 1970 - Regional shows were held.
1970 - Dan Patch Award was initiated. 1st State Horse Judging Contest.
1971 - On June 5th a State wide clinic was put on by volunteers, 1,500 4-H’ers and Adults packed the Hippodrome.
1st State Show at State Fairgrounds (306 exhibitors) one-day show held the day before State Fair started.
The Judging Contest moved to the Horse Show.
1972 - The show moved to the same time the Livestock Market Show was held, two weeks after State Fair. The show started at noon on Monday and ended Tuesday at 3:00 PM with 17 classes, grand entry parade with an evening program and judging contest.
1972 - 1976 - Horses were stalled in the judging arena stalls. 1977 - They were stalled in the big horse barn.
1972 - 1980 - Exhibitors were required to stay in the 4-H Building.
1982 - 1986 - Skillathon (a form of hippology) was held at the show. Bowl contest 1981 & 1982 were held at the show.
The 1st professional show program was printed. The Show went to 3 days.
1982 - The 4-H Horse Advancement Program was implemented and booklet was published.
1983 - 1st State Raffle eliminated in 1993. 1st POA Giveaway. 1st year Show Managed totally by Volunteers. The Bowl Contest went to 4 Regional Bowl Contests and a State Contest held in the spring.
1984 - 1st Annual MN 4-H Adult Leaders Forum (Winter Round Up).
1985 - 1st T-Shirts were sold. 1st year in managing the Expo Tack Sale. 1st Rule Book was printed. A 3 Judge system was employed for the show.
1986 - 1st Horse Judges Certification Seminar. Blue, red & white ribbons were replaced by Top 10 ribbons and participation pins. The Show went to 4 days. 4-H Horsemanship Manual was printed.
1987 - Show was moved to a weekend. County volunteers were assigned duties at the Show. 1st Mixer Party.
1988 - Krueger Memorial Library was established. Horseless Horse Project was added to the MN 4-H Horse Project and to the show.
1989 - The 4-H Horse Advancement Program was revised into two separate programs, the 4-H Horse Member Achievement Program and 4-H Horse Training Program,
1991 - The Western Heritage was added to the Minnesota 4-H Horse Project.
1992 - Minnesota 4-H Horse Association (MFHA) was formed, replacing the State PDC, to oversee the horse project.
1993 - Counties required to use 4-H Certified Judges for State Show qualifications. Classes went to grade instead of age.
1st year Minnesota Horse Council gave money to set up the Minnesota 4-H Horse Program Memorial Library (Krueger Memorial Library) which is an on going funding for new materials.
1994 - 1st Hippology contest was added to the show. Speech and Demonstration Contests were moved to the show.
1995 - MFHA offered Grants to help counties put on educational clinics. Rule Book was revised.
1997 - The Western Heritage State Contest was moved to the State 4-H Horse Show.
1998 - MFHA set up a web site. 2000 - MFHA set up a listserv.
1999 - Portable stalls were put in the cattle barn to stall horses.

2011 - Drill Team was added as an activity to the Minnesota 4-H Horse Project. Teams were judged at the show.
Miniature Horse Activity was added to the Minnesota 4-H Horse Project.
Saddle Seat horses don’t need to win a county trip to attend and compete at the State Horse Show. They just need to receive a blue ribbon at their County qualifying horse show.
2012 - The State Horse PDC was formed, replacing the MFHA.
