Questions:

1. Beef, Sheep, Swine, Dairy members: What management or marketing techniques do livestock producers use to make their operation more profitable?

Poultry, Rabbit, Horse members: What are some of the characteristics or qualities of your animal? (breed, market potential, genetic potential)

2. Have you been on any committees, judging teams, project bowl, etc? If so, tell us your involvement with any of these.

3. What are some examples of leadership that you have offered in your project area? Have you assisted any younger members or others in learning more about the project?

4. How would you promote agriculture and your experiences in 4-H to someone from a larger city with no background in agriculture?

5. Other: Ask one or two specific questions (see list of more specific questions generated by species committee)

Interview Time 5-7 minutes
Division: Senior

Revised 2013
