## Guidelines

- Emphasis is on the creative process and the employment of design elements and principles. The craft/kit exhibit develops from someone else’s ideas and can be exactly replicated or replicated with modifications.
- Followed the steps and procedures to create the product from a pattern or a specific craft process.
- Has chosen a project that has taught new or advanced techniques.
- May be a kit.
- All art objects must be appropriately finished and ready for hanging, displaying, etc. (i.e. wire or hooks on paintings, bases for 3 dimensional work, etc.)
- Resources should be credited and documented in the exhibit (e.g., books, internet, 4-H or Extension publications, person with special knowledge, magazine articles, etc.).
