

4-H AT THE MINNESOTA STATE FAIR

Market Goat Interview Winners

ABOUT LIVESTOCK INTERVIEWS

Livestock Interviews at the State Fair are designed to further enhance educational opportunities for young people exhibiting livestock. The interview process offers a visual philosophy of recognizing 4-Hers who have utilized their livestock project to grow and develop as young people. Livestock Interviews emphasize many life skills such as communication, responsibility, decision making, and problem-solving. The interview process is seen as a step to help insure the stability of youth livestock shows as a positive form of youth development.
