Circle of 4-H Friends!

Doing the things you see below can help make you a good friend!

Can you find these items on this page?

- Moon
- Pencil
- Donut
- Envelope
- Letter "B"
- Popcorn
- Ring
- Letter "W"
- 2 triangles
- Cherry

Be caring. Be kind to each other.

Where are the hidden items?
The moon is part of the hair of the Cloverbud in the upper right of the circle. The pencil is one of the poles in the swing set. The donut is a wheel on the truck. The envelope is part of the letter "B". The popcorn makes up the sunglasses for the Cloverbud in the upper right of the circle. The ring is a wheel for the scooter. The letter "W" is part of the street. The 2 triangles are the Cloverbud’s dress in the front of the truck. The cherry is on the top of the recycling can.

Note to Parents:
Through involvement in 4-H, your child will have many opportunities to meet other young people. When they join 4-H, your club is a great place for your child to meet youth from their neighborhood or local area. Your club’s monthly meeting or an activity provides a great environment for young people to become acquainted and begin to develop friendships. As youth get older, they can get involved in 4-H experiences outside the local club. At these occasions they will meet youth from other clubs, from towns and cities in your county or even across the state. New friendships can form as youth get involved in trainings or workshops, seminars, youth leader activities, helping at the county fair or other 4-H events and activities. Many youth find that they develop friendships in 4-H that last a long time; for some they last a lifetime.

Answers are on the back page.

• Ask each 4-H member to bring a fruit to your club meeting.
• With help from an adult, cut up the fruit and put into a large bowl.
• Mix all the fruit together.
• Serve the salad to everyone.
• Celebrate that everyone brought something to make this salad.
• This is a friendship salad because like a friendship everyone must do their part to make it a success.

4-H Super Snack-Friendship Salad

Have 4-H members bring different fruits. Here are some ideas: apples, bananas, cherries, pears, oranges, grapes, strawberries, blueberries, mango, kiwi, pineapples. Can you think of other fruits to use?

One way to make friends with a person is to get to know them. Here is a great way to meet other kids in your 4-H Club. First have an adult make copies of this page. Then when you talk with another 4-H member, fill out this page together. Decorate a front and back cover and as you finish the pages, put them together and make a 4-H BEST BUDDY BOOK!

4-H BEST BUDDIES!

Name
(have the person sign their name)

What do you like best about 4-H?

What is the most fun thing you like to do?

What is your favorite color?

Who is in your family?

Eye color?

Hair color?

Which of us is taller?
