2015 SERIES
Research Updates for Ag Professionals

FOR MORE INFORMATION AND TO REGISTER: WWW.EXTENSION.UMN.EDU/AGPROFESSIONALS

FACE 2015 ARMED WITH THE LATEST UNIVERSITY OF MINNESOTA RESEARCH
As an agricultural professional, keeping up with new crop production challenges is a top priority. These updates provide research-based knowledge and field-test solutions that will help you in the field for the year 2014.

BRING YOUR QUESTIONS
Presentations and discussions will allow you to visit with experienced University researchers to discuss topics of interest or concerns in your region.
